150kW server rack for Southwest Steel Plant

IWAP OPTOELECTRONICS - Professional Energy Solutions
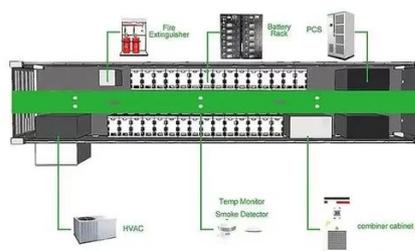

150kW server rack for Southwest Steel Plant

Server Racks , Alliance Fabrication & Manufacturing

We manufacture and fabricate server racks that maximize space, improve cooling, enhance security, streamline cable management, and allow for future scalability.

Server Racks & Cabinets , Maysteel Industries

From high-performing computing systems to cloud storage, hybrid environments, and everything in between, Maysteel has custom server racks and cabinets for you.

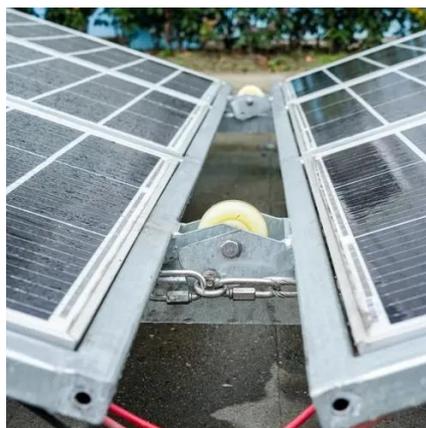

Server Racks , Server Cabinets Racks & Cabinets

Our server racks are compatible with all leading OEM servers and equipment, such as Dell, HP and IBM. Open frame racks allow for more airflow and space while enclosed racks enhance security.

Data Center Server Rack , Rackmount Solutions

This server rack features a plexi front door and vented rear door with removable airflow plates. Solid side panels are removable and also available in an IR version - internally removable only.

Data Center Server Racks

Alliance Steel provides stretcher-leveled, laser-quality flat steel for data center server racks, ensuring dead flat material, stability, and precision for seamless fabrication and assembly.
