

220V Energy Storage Battery Cabinet

Overview

The RUiXU 6-Slot Battery Cabinet is the ideal solution for secure, scalable, and efficient battery storage, ensuring easy maintenance, organized installation, and long-lasting durability. Heavy-Duty Steel Construction – Provides durability and long-term reliability. Built from durable steel with a powder-coated finish, this cabinet provides reliable housing for up to six server rack batteries. Our practical, durable cabinets are manufactured from aluminum, and lined with CellBlock's Fire Containment Panels.
