

Barbados portable solar panel manufacturer

Overview

CloudSolar is the Caribbean's first Green Technology company that allows users to purchase a solar panel digitally which creates investment in the solar sector of Barbados. We have all the modern equipment necessary to design and analyze any solar project. A solar panel is a device which is used to convert energy contained within the sun's rays into electricity. The off-grid solar electric systems consist mainly of solar. Leading provider of solar electrical installations in Barbados and the Caribbean. prioritizes customer satisfaction, earning accolades for its customer-focused philosophy. Now a very similar model is available in Barbados which allows Barbadians to own solar panels within an operating solar project. Founded in 2008, EcoDirect is a value added distributor that helps Bajan installers, do-it-yourselfers (DIY), businesses and commercial projects in St Phillip, Christ Church, Bridgetown, St James, and throughout Barbados with project design, supply, logistics and technical support.
