

Breaker distribution for sale in Denmark

Overview

Used circuit breakers for sale in Denmark. At Pro-Automatic, we are leading experts in the development and production of distribution boards (main switchboards). Our expertise is based on more than 20 years of experience as a manufacturer of reliable distribution boards and main switchboards in all sizes - from small series production. Könnner & Söhnen® Distribution Boards provide reliable connection for up to 7 groups of devices with a maximum current of 32A. High-quality components guarantee a long service life and protection against overloads and short circuits. They automatically interrupt the flow of electricity when a fault is detected, preventing potential fires and equipment damage. We stock a large selection of Electronic Circuit Breakers, including new and most popular products from the world's top manufacturers including: Siemens, Phoenix Contact, ETA, ABB & Weidmuller Information unavailable. It features premium products, companies, and a unique enquiry system to foster industry collaboration. ACE Electrical Australia has been.
