

# Ess Energy Storage Field in Nigeria

## Overview

---

SolisStorage, the dedicated energy storage division and sister company of Solis, is fast becoming a global leader in advanced energy storage solutions. It has made a significant stride in transforming Africa's energy landscape with the launch of its EverCore Energy Storage System. ESS Tech, a manufacturer of long-duration energy storage systems (LDES) for commercial and utility-scale applications, has partnered with Sapele Power, a Nigerian integrated energy company specializing in power generation, to provide an initial 1 MW/8 MWh of long-duration energy storage. This is ESS' first project in Africa, and, according to the announcement, represents the largest. Wilsonville, Ore. 08MWh Air-cooled Battery Energy Storage System (BESS) in Oyo State, Nigeria. The company revealed plans to supply an initial 1 MW/8 MWh of storage capacity to Nigerian energy firm Sapele Power Plc, marking ESS'. SolisStorage, a division of Ginlong Technologies specializing in energy storage solutions, has officially introduced its EverCore Energy Storage System (ESS) to the Nigerian market. The launch, which took place on December 8, 2025, at The Lagos Marriott Hotel Palace, marks a significant step.

## Ess Energy Storage Field in Nigeria

### [ESS to provide 1-MW/8-MWh storage system in Nigeria](#)

ESS Tech Inc (NYSE:GWH), a US manufacturer of long-duration energy storage systems (LDES), on Tuesday said it will provide an initial 1 MW/8 MWh of storage to Nigerian energy ...

### [ESS Tech Inc Secures Landmark Deal to Provide Energy Storage ...](#)

The company revealed plans to supply an initial 1 MW/8 MWh of storage capacity to Nigerian energy firm Sapele Power Plc, marking ESS' inaugural project on the African continent.

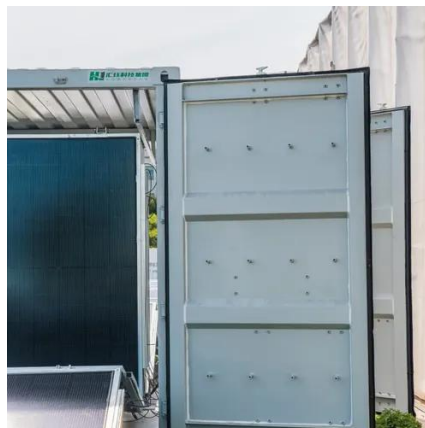

### [Jinko ESS Commissions 1MWp/1.08MWh Hybrid Energy Project in ...](#)

Jinko ESS, a global leading energy storage company, successfully deployed and commissioned a 1MWp Solar PV system paired with a 1.08MWh Air-cooled Battery Energy Storage ...

### [ESS Tech Providing 8 MWh of Long-Duration Energy Storage to ...](#)

ESS Tech, a manufacturer of long-duration energy storage systems (LDES) for commercial and utility-scale applications, has partnered with Sapele Power, a Nigerian integrated energy company ...

### [ESS Tech partners with Nigeria's Sapele Power on 8MWh](#)

We are pleased to partner with ESS to deploy the first iron flow battery system in Africa. Long-duration energy storage will play a critical role in a resilient, reliable energy system and this is ...

### [SolisStorage launches EverCore ESS to power the next phase of](#)

SolisStorage, the dedicated energy storage division and sister company of Solis, is fast becoming a global leader in advanced energy storage solutions. It has made a significant stride in ...

### [Nigeria energy storage: Solis unveils unique ESS for 2024](#)

By providing reliable and efficient energy storage, the EverCore ESS is set to support Nigeria's efforts to reduce its reliance on fossil fuels and increase the share of renewables in its ...

### [ESS to Deliver Long-Duration Energy Storage Solutions to](#)

"We are pleased to partner with ESS to deploy the first iron flow battery system in Africa. Long-duration energy storage will play a critical role in a resilient, reliable energy system and this is just the first of ...

### [Energy Storage Innovations Driving Nigeria's Renewable Future](#)

In Nigeria, the reliance on solar mini-grids, off-grid systems, and hybrid energy models highlights the importance of efficient storage. With the national grid facing frequent outages, storage provides ...
