

Estonian brand sine wave inverter

Overview

Browse our collection of FCHAO pure sine wave inverters converting 12V DC to 220V AC, with power ratings from 1200W to 3000W. LiFePO₄ (lithium iron phosphate) is a modern battery chemistry valued for durability, safety, and stable performance under high loads. Qoltec brand inverter is a pure sine wave, produces the same current as a 230V socket, ensuring safety for all connected devices. Great for both during power outages, as well as during travel when we do not have. The Qoltec brand inverter is a combination of functions: -UPS, when a mains power failure is detected, the unit enters emergency power mode, using the energy stored in the battery until the mains voltage is restored. Reliable power source - the perfect choice for home, cottage, camping, or workspace, especially during power outages or in areas without access to the power grid.
