Free. Buy Circuit Breakers. Farnell Italy offers fast quotes, same day dispatch, fast delivery, wide inventory, datasheets & technical support. For businesses looking to set up or upgrade their lead-acid battery recycling operations, finding the right equipment supplier is half the battle. Since 1983, it has begun producing special electric motors and IEC/MEC series. Today, Moratto, under the ELMOR brand, is capable of meeting every request for. It is a simple concept: recycle the most part of the lead, the light plastic and the oxide past of the spent batteries. The crushing and the separation is done using energy and water. The water is constantly reused so to reduce consumption.
