

Generator container processing

Overview

At MODS, we design and fabricate high-performance generator and power units built from shipping containers. The larger footprint of these units allows for more versatility from a manufacturing specification standpoint — we can easily equip your gen set with greater levels of sound. Jenbacher offers containerized generator sets based on our Type 2, 3, 4, and 6 gas engines. Fill Out. Containerized generator / Packaged container and enclosure options provide alternatives to installations in existing or new buildings.

Generator container processing
