

# Haichen energy storage battery container manufacturer

## Overview

---

Dongguan Haichen New Energy Technology Co. factory was established in 2015. Haichen is a leading global manufacturer of household energy storage batteries, C&I ESS, and battery energy storage systems with integrated solar inverters, located in Dongguan, China. We combine the latest battery. We deliver robust battery solutions for a wide range of applications—including Mobility (Golf Carts, Garden Transport), Renewable Energy (Solar Storage), and Backup Power (Emergency Lighting)—to reliably power homes, businesses, and communities. Our batteries offer compatible, high-capacity power. Established in 2015, Haicen Power is a high-tech enterprise located in Shandong, mainly engaged in the R & D, manufacturing and sales of LiFePO<sub>4</sub> lithium Batteries, including 26700 cylinder cells, 105Ah and 280Ah Prismatic cells, BMS, 12V to 48V SLA Replacements, ESS batteries, 48V golf cart. EBICO's professional team, based on the characteristics of the industry, combined with its own product advantages, provides customers with personalized technical solutions to meet the application requirements. Save the operation cost of customers, improve the overall efficiency. 5\*286\*216mm (W\*L\*H) and the ∞Power 6. 25MWh 2h energy storage system equipped with this battery at the 13th Energy Storage International Summit and Exhibition (ESIE 2025). We combine the latest battery.

## Haichen energy storage battery container manufacturer

### About Us

Haichen is a leading global manufacturer of household energy storage batteries, C& I ESS, and battery energy storage systems with integrated solar inverters, located in Dongguan, China.

### [Marine Energy Storage, Truck Lithium, Fish Fillet Energy Storage](#)

Haichen is a leading global manufacturer of household energy storage batteries, C& I ESS, and battery energy storage systems with integrated solar inverters, located in Dongguan, China.

### [Xiamen Haichen Energy Storage Ecological Lithium Battery ...](#)

Xiamen Haichen Energy Storage Technology Co., Ltd. specializes in the R& D and production of lithium battery core materials, lithium iron phosphate energy storage batteries, and systems.

### [Three years of evolution: Haichen Energy Storage has created a](#)

Haichen Energy Storage has always believed that true competitiveness is never a short-term game of chasing the wind, but a long-termism rooted in independent research and development.

### [Haichen Energy Storage ?Cell 587Ah battery debuts and may ...](#)

The ?Power 6.25MWh 2h energy storage system is based on the Haichen Energy Storage ?Pack+ full-scenario large-capacity energy storage platform. Its volume meets the size requirements of a ...

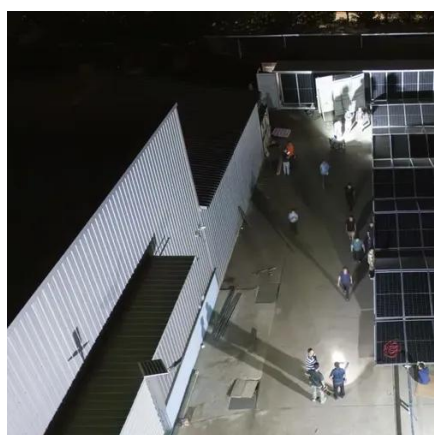

### [Reliable LiFePO4 Battery Manufacturer , Energy Storage Solutions](#)

Haicen is a reliable LiFePO4 and lithium battery manufacturer. We provide custom battery solutions for drop-in lead-acid replacements, trolling Motors, golf carts, RVs, ESS, and industrial applications.

### [Shandong Haicen Power Co., Ltd. \\_Lithium ...](#)

Haicen Power mainly engaged in the R & D, manufacturing and sales of LiFePO4 lithium Batteries.

### [About Haicen-Shandong Haicen Power Co., Ltd. \\_Lithium ...](#)

Haichen power, your trusted lithium battery supplier. In 2020, Haichen Power established a new factory named Land Battery, which mainly focuses on the R& D and manufacturing of Energy Storage ...

### Product battery

The Ministry of Industry and Information Technology strengthens the standardized management of energy storage: promoting technological upgrading and scene expansion in the lithium battery industry

### [From 1175Ah to 587Ah: The industrial logic behind Haichen's energy](#)

The subversive traditional design of the 20-foot container 4-row 4-cluster architecture opened up a precedent for the forward development of energy storage systems to battery cells, ...
