## Huaneng wind turbine blades

### [China Unveils World's Largest Rotor Offshore Wind Turbine, ...](#)

In a bold stride toward next-generation renewable energy solutions, Chinese state-owned power giant China Huaneng Group has officially launched the world's most powerful direct-drive ...

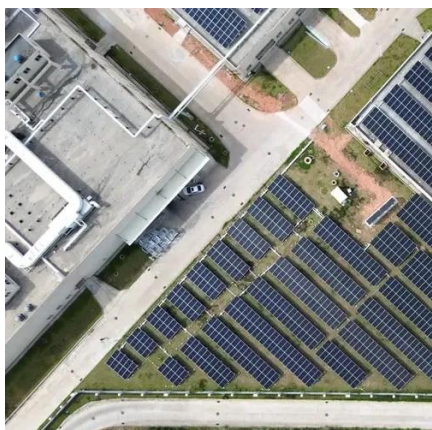

### Huaneng wind turbine blades

How much flue gas is pumped in Huaneng Yingkou power plant? Taking the Unit 4 in Huaneng Yingkou power plant as an example, the volume of flue gas under BMCR condition was about 1,695,000 m ...

### [World's most powerful direct-drive floating wind turbine ...](#)

This undated photo shows the world's most powerful direct-drive floating wind turbine in Fuqing, East China's Fujian province. [Photo/China Huaneng Group/Handout via Xinhua] BEIJING -- ...

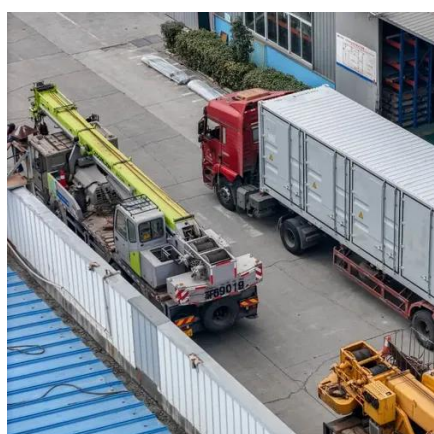

### [China builds record-breaking floating wind ...](#)

Floating offshore wind turbines open a whole new playing field for energy companies, which have so far had to stick to shallow waters.

### [World's Most Powerful Direct-Drive Floating Wind Turbine Rolls ...](#)

The world's most powerful direct-drive floating offshore wind turbine -- with the largest rotor diameter -- jointly developed by China Huaneng Group Co., Ltd. (China Huaneng) and ...

### [Chinese firm unveils offshore wind turbine with world's largest ...](#)

Chinese state-owned energy giant China Huaneng Group unveiled on Thursday the world's most powerful direct-drive floating offshore wind turbine in Fuqing, East China's Fujian ...

### [World's largest floating wind turbine to power ...](#)

The world's most powerful direct-drive floating wind turbine aims to revolutionize offshore clean energy with typhoon-proof power.

## Newsroom-detail

On May 13, the world's first tandem twin-wheel wind turbine "Sairui", which is independently developed by Huaneng, successfully completed hoisting at Tongyu Wind Power Plant ...

### [Assisting in the Green Recycling of Wind Turbine Blades - Beijing](#)

Assisting in the Green Recycling of Wind Turbine Blades - Beijing Huaneng Environmental Science Institute Enters a Critical Debugging Stage for the Installation of Water jet Equipment - ...

### [China unveils its 17 MW mega floating wind turbine](#)

China unveils its 17 MW floating wind turbine. Dongfang Electric and Huaneng lead innovation in clean marine energy and technological self-sufficiency.
