

Is free solar power reliable

Overview

Some solar energy companies offering “free” solar panels are just making exaggerated claims to advertise solar leases or power purchase agreements. Tax credits and other incentives can reduce the upfront costs of going solar without committing you to unfavorable terms — just make sure they're legitimate. Short 3 year term and after you can cancel anytime, with no penalties. You pay a simple monthly rate that's lower. Here's the reality: "Free solar" typically means solar with no upfront cost—not solar you'll never pay for.
