

Lithuanian communication base station lead-acid battery equipment manufacturer

Overview

Since 2009, BATTEC has been supplying back-up and hybrid power solutions and industrial batteries to major energy, industrial, communications and telecommunications, railways and IT companies. Based on many years of experience working with global industrial battery manufacturers, we have introduced. Who manufactures lead-acid batteries in Lithuania?

Today, BATTEC is the only manufacturer of industrial lead-acid batteries in Lithuania and one of the first to produce lithium batteries and energy storage systems. Explore the 2026 Communication. A telecom battery backup system is a comprehensive portfolio of energy storage batteries used as backup power for base stations to ensure a reliable and stable power supply.
