

Longi 580w photovoltaic panel parameters

Overview

With an impressive power output of 580W and an efficiency of 21.5%, this panel provides excellent energy generation even in low-light conditions. It features 144 half-cut cells and utilizes Hybrid Passivated Back Contact (HPBC) technology, improving light absorption and reducing. LONGi provides you with the most comprehensive product data information so that you can quickly understand LONGi's full range of products. The LONGi LR5-72HTD-580M is a high-efficiency monocrystalline solar panel, part of the Hi-MO 6 Explorer series, offering superior performance for large-scale residential and commercial solar installations. Longi 580 att solar panel price in Pakistan is 32480. 41 a nel:. 12 People watching this product now! . ous advantages for solar energy systems.
