

# Low-Temperature Type Power Storage Cabinet for Gymsnasiums

## Overview

---

Shop Gopher Sport's collection of storage sheds and cabinets to keep your teaching and coaching supplies organized! When closet space is limited, our storage cabinets and sheds give PE teachers and coaches the extra space they need to securely store equipment. Recycled Claim Standard 100 (RCS100) certified products contain recycled content (>95%) that has been independently verified at each stage of the supply chain, from the source to the final product. Compact sheds provide ample storage. Energy storage cabinets are designed to function in various temperature conditions, but low temperatures can significantly impact their performance. Key elements affected include battery chemistry, charge and discharge rates, and overall cycle life. Cabinet sealed to minimize moisture accumulation. Insulation is environmentally safe, high density, non-setting fiberglass. Made with a proprietary 9-layer ChargeGuard™ system that helps minimize potential losses from fire, smoke, and explosions caused by Lithium batteries. Combine sleek, secure, space-efficient combination drawer and shelving units with other modular athletic shelving options such as: Our Athletic.
