

Malaysia Power Storage Cabinet Fixed Warranty Period

Overview

Alustil warrants that commencing from the date of invoice for a period of Three (3) years, the product will be given service warranty subject strictly to the products being put to its ordinary use (Hereinafter referred to as "Service Warranty"). APC product warranties are based on a fixed period of time starting from the purchase date of the unit. As multiple factors go into determining the validity of a warranty, you must. As a globally recognised manufacturer and supplier, Häfele (Malaysia) Sdn. Registration can be completed by visiting our bsite link. Extended Warranty allows you to extend your electrical appliances' manufacturers' warranties up to a maximum of 5 years from the date of purchase with similar manufacturer's protection against failures and defects.
