

Off-grid solar container single-phase discount

Overview

Top name brand, high performance off grid and battery backup solar systems and wholesale discount pricing to both homeowners and contractors. Shop. RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design. Off-Grid Solar Containers transforms 20-foot shipping containers into complete, turnkey electricity generators—engineered for the places where conventional infrastructure can't reach, and built for those who refuse to compromise on reliability. Born from years of solar expertise at Danger Electric. We'll beat any nationally advertised in stock price on our same, top of the line grid tie solar systems or your system is free. But that's what we do here at Off Grid Solar. Embrace sustainable living and harness the power of the sun with our reliable products.
