

Oman outdoor telecom cabinet

Overview

This enclosure features a built-in air conditioning system with a cooling capacity of up to 6500W for optimal temperature control. Though gray is commonly available, you can request custom. AZE Telecom offers top-quality weatherproof outdoor electrical enclosures and telecom cabinets. Designed to protect your equipment from rain, dust, and extreme temperatures, our waterproof and customizable solutions ensure reliability in any environment. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies. Outdoor cabinets are enclosure systems specially designed for outdoor use that protect network devices, electrical systems, and other equipment from harsh weather conditions.
