

# Rural photovoltaic panel installation roof fraud

## Overview

---

Did a salesperson knock on your door and promise free rooftop solar panels at no cost to you?

Or say you'll never have to pay another electricity bill because government programs, grants, or rebates cover your solar installation?

It's likely a scam. While there are some government-funded solar. Demand for solar-powered home systems has increased rapidly in the last several years. Scams, schemes and straight-up fraud abound in the dark underbelly of an otherwise light-filled industry. As more families consider solar energy improvements, dishonest companies exploit the fine print in solar panel. This boom follows the implementation of a federal tax credit that can be worth 30% of a homeowner's solar installation costs. The con starts with a fast-talking salesperson offering a "limited time.
