

San jose new solar battery cabinet manufacturer

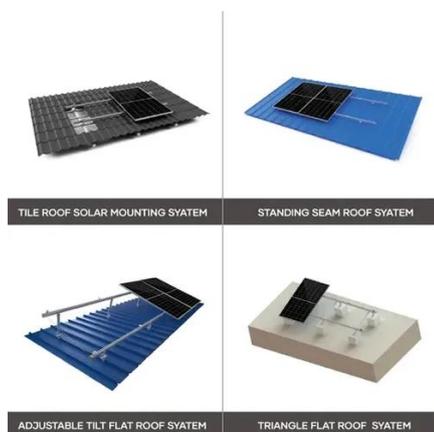

Overview

Terra-Gen has built more than 115 MW of new solar energy and new battery storage to meet the fixed delivery obligation in its 12-year power purchase agreement (PPA) with SJCE. Having a partner who understands San Jose's unique power challenges is key. At Cobalt Power Systems Inc, we have served San Jose residents and businesses for over. We are excited to give you a first look at the PowerBloc® Gen 3 cabinet currently in production at our manufacturer. The first cabinet of the Gen 3 PowerBloc at our manufacturer in San Jose, California. The San Jose residents benefit from a range of local, state, and federal incentives that make solar battery storage more affordable than ever: Claim up to 30% of the total system cost, including solar + battery, through the federal ITC.
