

Solar energy storage won the bid

Overview

ACME Solar Holdings, an integrated renewable energy player, has secured a 301 MW/1,204 MWh assured peak supply SECI FDRE-VII project in an e-reverse auction conducted on February 5, 2026. Eleven companies have won Solar Energy Corporation of India's (SECI) Tranche XX auction to set up 2,000 MW interstate transmission system (ISTS)-connected solar projects, along with 1,000 MW/4,000 MWh energy storage systems. The winners are Welspun Renewable Energy, MB Power (Madhya Pradesh). The project would integrate solar and battery energy storage system technology to meet the supply requirements and would utilise the night-time connectivity already available with the company. The state-run company announced four winning bids at IR3. 2B battery storage procurement last month [1], it wasn't just another contract signing—it was a seismic shift in how we'll power our cities.

Solar energy storage won the bid

[SECI Concludes 2,000 MW Solar And 1,000 MW/4000 MWh Energy Storage](#)

The Solar Energy Corporation of India (SECI) has successfully completed the auction for its 2,000 MW solar power projects integrated with 1,000 MW/4,000 MWh energy storage systems ...

[Purvah, SAEL Among Winners of SECI's 2 GW Solar, 4 GWh Energy Storage](#)

Eleven companies have won Solar Energy Corporation of India's (SECI) Tranche XX auction to set up 2,000 MW interstate transmission system (ISTS)-connected solar projects, along ...

[SECI solar-plus-storage tender 'competitive with new coal' in India](#)

Winning bids as low as INR3.41/kWh (US\$0.041/kWh) have been registered in a tender for solar PV paired with battery storage hosted by the Solar Energy Corporation of India (SECI).

[JSW, Reliance win 1 GW/2 GWh battery storage auction in India](#)

JSW Neo Energy and Reliance Power have secured 500 MW battery storage contracts in an auction conducted by the Solar Energy Corporation of India (SECI). The auction, held on 11 ...

Major Solar Projects List

There are over 1,400 major energy storage projects currently in the database, representing more than 116,300 MWh of capacity. The list shows that there are more than 195 GWdc of major solar projects ...

[Which companies won the bid for energy storage](#)

Renewable energy developer and independent power producer (IPP) Greenvolt won 1.2GW of 17-year contracts for six battery energy storage system (BESS) projects it bid in, the company revealed on ...

[SECI tender a 'game changer' for renewables and storage in India](#)

Winning bids as low as IR3.41/kWh (US\$0.041/kWh) have been registered in a tender for solar PV paired with battery storage hosted by the Solar Energy Corporation of India (SECI).
