

Sophia inverter cabinet manufacturer

Overview

Sophia Cabinetry was founded by Vinny in 2017 with the goal of providing high-quality custom cabinets that combine the precision of CNC technology with the creativity of our design team. We are committed to promoting energy transformation and sustainable development and providing innovative energy storage solutions. As a professional manufacturer in China, produces both. All-in-One ESS: Supply Inverter and Battery Together in One Cabinet Compact Design: The all-in-one #ESS is designed to consolidate the #energy storage components—battery packs, inverters, and control units—into a single, robust cabinet. Let's explore why professionals are calling it Imagine a storage.
