

The largest solar energy storage project in Kitwe Zambia

Overview

Copperbelt Energy Corporation (CEC) has taken a significant stride towards sustainable operations with the successful commissioning of the 60-megawatt Itimpi Solar Photovoltaic Power Station in Garneton, Kitwe, held on Wednesday, 10th April 2024. The newly commissioned 60MW Itimpi Solar Plant in Kitwe comes at a. In a groundbreaking move that promises to reshape Zambia's energy landscape, President Hakainde Hichilema recently inaugurated the 60-megawatt Itimpi power project in Kitwe. During the ceremony, he congratulated the company for completing the project with exceptional speed. The privately owned solar farm was originally commissioned in April 2018, as a 1 MW power station by Copperbelt Energy Corporation (CEC), who own the energy infrastructure. In December 2021, CEC signed an.
