

UK inverter kilowatt price

Overview

The cost of solar inverters varies from £500-£2,000 for the average property. The price depends on the type (string, micro or hybrid) you choose, the quality of the brand, as well as the size you need. Other factors that can impact the solar panel inverter cost include your system size, inverter efficiency, and whether it's. Sign up for exclusive updates, deals and unbeatable offers delivered straight to your inbox. Each type has its own unique features, benefits, and drawbacks.
