Overview

Contact our team to discuss your requirements, or request a quote for your specific outdoor telecom cabinet needs today. With proven expertise in system integration, Westell also manages the details for design assistance, planning, thermal management. AZE Telecom offers top-quality weatherproof outdoor electrical enclosures and telecom cabinets. Designed to protect your equipment from rain, dust, and extreme temperatures, our waterproof and customizable solutions ensure reliability in any environment. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies. Polycarbonate enclosures are increasingly popular in the telecom industry due to their versatile properties. One of the primary reasons is their excellent balance of strength and light weight, making them easy to handle and install while providing substantial protection. Available in multiple rack sizes (18u-47u), featuring integrated ventilation and thermal management.
